Gurdwara Project fund appeal

Wahe Guru ji ka khalsa Waheguru ji ki fateh

Guru Nanak Darbar Crawley is a long established charitable organisation serving the needs of our community and is committed to sharing rich & spiritual Sikh heritage more widely through common inter community experiences. We have embarked on a unique Crawley based £1.9M flagship project to build a modern Gurdwara in Sussex to advance knowledge and understanding of Sikh religious and spiritual teachings to Sikhs living in the United Kingdom, at the same time offering practical solutions to the needs of the young and old by providing training, learning and volunteering opportunities.

The Gurdwara will also be committed to tackle health, well fare, social, cultural and ever changing & challenging ethnic community issues predominant in society.

This is a long standing dream of our elderly, & younger generations. To fulfill these aspirations & secure the future of generations to come, our community needs your **financial support and partnership**.
